

DMSchedules for Elementary Schools

Create strategic elementary schedules that raise achievement and improve equity

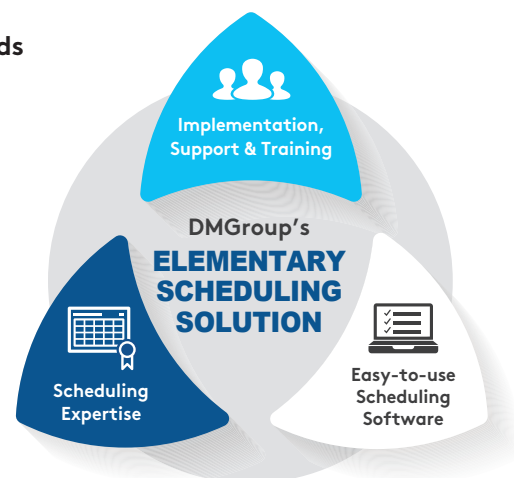

DMSchedules for Elementary Schools allows principals to quickly and easily build elementary school schedules. Specials rotations, homeroom and specials teacher schedules are then automatically updated based on the main schedule. Set and embed instructional guidelines, build schedules with drag-and-drop ease, and quickly explore multiple scheduling scenarios. Instantly share your online schedule with administrators, teachers, and staff to ensure they always have access to the latest version. What used to take days can now be done in hours.

- ✓ **Easier and faster schedule creation**
- ✓ **Improved coordination, collaboration, and communication**
- ✓ **Support for multiple scenarios to quickly adapt to changing needs**
- ✓ **Share up-to-date schedules with staff effortlessly**
- ✓ **Leverage DMGroup's expertise in best-practice scheduling**

How It Works

DMSchedules for Elementary Schools combines our powerful, web-based scheduling software, field-proven best practices, and a team of scheduling experts to help you define instructional priorities to develop powerful, student-centered school schedules and individual staff schedules tailored to your specific needs.

“ Our district now has consistent scheduling guidelines aligned to best practices across all elementary schools, allowing us to increase equity. We’re also now providing 45 minutes of daily intervention, creating opportunities to drive improvements in achievement levels.

- **Dr. Tanzy Kilcrease**, Assistant Superintendent of Teaching and Learning, Bibb County School District (GA)
